

introduction

Since time began, humans have been asking big questions, like “How did I get here?” “What is my purpose?” “What’s the meaning of life?”

Wouldn’t it be great if there was just a book you could read and get all the answers to your most important questions, a “how-to” guide to living the best life possible? That would be so great!

Oh, wait! There IS such a book! It’s called the BIBLE. It’s available online for FREE to every one of us! And there are enough versions to make it accessible to all ages.

The Bible shows us how to get close to God, whether or not He’s trustworthy, and how to live a life that honors Him. Getting to know this book can help us find our purpose and place in the universe.

And incredibly, it’s a book we never finish reading, because in each encounter with the Bible, the Holy Spirit helps us discover something new, and invites us to become part of the Story!

In this unit, your kids get to explore these wonderful characteristics of **God’s Favorite Book**. Our prayer is that it will become their favorite book, too.
